

Structural Plans Examiner

Job description

Brown & Associates (B&A), a building safety consulting firm, is seeing a Structural Plans Examiner to join our Phoenix office location. Candidates who wish to work remotely are encouraged to apply. Our family-owned and operated business was established in 1993 and incorporated in 2003. In the fast-paced and growing construction industry, we offer a competitive salary and comprehensive benefits.

Summary

Primary job directive is to provide a comprehensive structural review of various commercial projects. In addition, based on workload, the applicant will be required to perform life safety plan review and field inspections. The applicant will not be expected to have life safety plan review experience but must be willing to learn.

Requirements for this position includes:

BS in Civil or Structural Engineering

AZ Registered Professional Engineer

A minimum of 5 years' experience in the design of wood, steel, masonry, concrete structures

Be able to perform on site field inspections if necessary.

Benefits

B&A offers a competitive wage and excellent benefits package for our employees: Medical, dental, vision, FSA (pre-tax plan) for medical & dependent care, 401k, vacation & sick leave, paid holidays and employer paid life insurance and AD&D coverage.
